

BC Notice 2007/11

Revised BC Policy 15-602 – Electronic hearings

The Commission is publishing revised BC Policy 15-602 – *Electronic hearings*. The policy accompanies this notice. It replaces our policy adopted July 25, 2005.

We have made no substantive changes to our electronic hearing system. However, in the revised policy, we

- reflect our practice and ask parties to submit their evidence two weeks before the hearing - see Part 3
- remove unnecessary detail
- reorder information to improve clarity
- remove information found in BC Policy 15-601 - *Hearings*
- link to BC Policy 15-601 - *Hearings*
- improve the plain language

With these changes, we expect parties to our hearings to find our revised policy a more helpful guideline.
