You must also disclose that the document is on SEDAR at www.sedar.com and that, upon request, you will promptly provide a copy of any such document free of charge to a securityholder of the company. However, you may not incorporate information required to be included in Form 51-102F6 *Statement of Executive Compensation* or Form 51-102F6V *Statement of Executive Compensation – Venture Issuers* by reference into your information circular.

14.1 If action is to be taken on any matter to be submitted to the meeting of securityholders other than the approval of annual financial statements, briefly describe the substance of the matter, or related groups of matters, except to the extent described under the foregoing items, in sufficient detail to enable reasonable securityholders to form a reasoned judgment concerning the matter. Without limiting the generality of the foregoing, such matters include alterations of share capital, charter amendments, property acquisitions or dispositions, reverse takeovers, amalgamations, mergers, arrangements or reorganizations and other similar transactions.

14.2 If the action to be taken is in respect of a significant acquisition as determined under Part 8 of National Instrument 51-102 under which securities of the acquired business are being exchanged for the company's securities, or in respect of a restructuring transaction under which securities are to be changed, exchanged, issued or distributed, include disclosure for

- (a) the company, if the company has not filed all documents required under National Instrument 51-102,
- (b) the business being acquired, if the matter is a significant acquisition,
- (c) each entity, other than the company, whose securities are being changed, exchanged, issued or distributed, if
 - (i) the matter is a restructuring transaction, and

- (d) each entity that would result from the significant acquisition or restructuring transaction, if the company's securityholders will have an interest in that entity after the significant acquisition or restructuring transaction is completed.

The disclosure for the company, business or entity must be the disclosure (including financial statements) prescribed under securities legislation and described in the form of prospectus that the company, business or entity, respectively, would be eligible to use immediately prior to the sending and filing of the information circular in respect of the significant acquisition or restructuring transaction, for a distribution of securities in the jurisdiction.

- 14.3** If the matter is one that is not required to be submitted to a vote of securityholders, state the reasons for submitting it to securityholders and state what action management intends to take in the event of a negative vote by the securityholders.
- 14.4** Section 14.2 does not apply to an information circular that is sent to holders of voting securities of a reporting issuer soliciting proxies otherwise than on behalf of management of the reporting issuer (a "dissident circular"), unless the sender of the dissident circular is proposing a significant acquisition or restructuring transaction involving the reporting issuer and the sender, under which securities of the sender, or an affiliate of the sender, are to be distributed or transferred to securityholders of the reporting issuer. However, a sender of a dissident circular shall include in the dissident circular the disclosure required by section 14.2 if the sender of the dissident circular is proposing a significant acquisition or restructuring transaction under which securities of the sender or securities of an affiliate of the sender are to be changed, exchanged, issued or distributed.
- 14.5** A company satisfies section 14.2 if it prepares an information circular in connection with a Qualifying Transaction, for a company that is a CPC, or in connection with a Reverse Take-Over (as Qualifying Transaction, CPC and Reverse Take-Over are defined in the TSX Venture Exchange policies) provided that the company complies with the policies and requirements of the TSX Venture Exchange in respect of that Qualifying Transaction or Reverse Take-Over.

INSTRUCTION

For the purposes of section 14.2, a securityholder will not be considered to have an interest in an entity after an acquisition or restructuring transaction is completed if the securityholder will only hold a redeemable security that is immediately redeemed for cash.
