Ruling

Background

- ¶ 1 On April 24, 2012 the executive director issued a notice of hearing containing allegations against Canaco Resources Inc., Andrew Lee Smith, Randy Smallwood, David Parsons, and Brian Lock.
- ¶ 2 On June 18 the respondents applied for disclosure of documents not disclosed by the executive director, and in the executive director's possession or control, relating to his investigation of the allegations in the notice of hearing.
- ¶ 3 The parties filed written submissions and on July 19 we heard oral submissions.

Order

- ¶ 4 We order that the executive director, by November 21, 2012, file with the Commission and provide to the respondents, a document that:
1. specifies each document in the executive director's possession or control relating to the investigation that the executive director has not disclosed, or after the date of this order does not disclose, to the respondents, and

2012 BCSECCOM 418

2. describes each document in sufficient detail so that the grounds upon which the executive director has not disclosed it may be assessed.
