MRRS Decision Document

## 2006 BCSECCOM 335

### Background

1. The local securities regulatory authority or regulator (the Decision Maker) in each of the Jurisdictions has received an application from the Filer for a decision under the securities legislation of the Jurisdictions (the Legislation) that trades of commercial paper/short-term debt (Commercial Paper) of the Filer be exempt from the dealer registration and prospectus requirements of the Legislation (the Requested Relief).
2. Under the Mutual Reliance Review System for Exemptive Relief Applications (MRRS):
  - 2.1 the Alberta Securities Commission is the principal regulator for this application, and
  - 2.2 this MRRS decision document evidences the decision of each Decision Maker.

### Interpretation

3. Defined terms contained in National Instrument 14-101 have the same meaning in this decision unless they are defined in this decision.

### Representations

4. This decision is based on the following facts represented by the Filer:
  - 4.1 The Filer is a corporation governed by the *Canada Business Corporations Act* with a head office located in Calgary, Alberta.
  - 4.2 The Filer is a reporting issuer in each of the Jurisdictions and is not on the list of reporting issuers in default in any of the Jurisdictions.
  - 4.3 Subsection 2.35(1)(b) of National Instrument 45-106 *Prospectus and Registration Exemptions* (NI 45-106) provides that exemptions from the dealer registration and prospectus requirements of the Legislation for short-term debt (the Commercial Paper Exemption) are available only where such short-term debt “has an approved credit rating from an approved credit rating organization.” NI 45-106 incorporates by reference the definitions for “approved credit rating” and “approved credit rating organization” that are used in National Instrument 81-102 *Mutual Funds* (NI 81-102).
  - 4.4 The definition of “approved credit rating” in NI 81-102, requires, among other things, that (a) the rating assigned to such debt must be “at or above” certain prescribed short-term ratings, and (b) such debt must not

have been assigned a rating by any “approved credit rating organization” that is not an “approved credit rating.”

- 4.5 The Commercial Paper of the Filer has an “R-1(low)” rating from Dominion Bond Rating Service Limited (DBRS) and an “A-1(low)” rating from Standard & Poor’s (S&P) which meet the prescribed threshold in NI 81-102.
- 4.6 The Commercial Paper of the Filer does not meet the “approved credit rating” definition in NI 81-102 because it has a “P-2” from Moody’s Investors Service (Moody’s) which is a lower rating than required by the Commercial Paper Exemption.

### Decision

- 5. Each of the Decision Makers is satisfied that the test contained in the Legislation that provides the Decision Maker with the jurisdiction to make the decision has been met.
- 6. The decision of the Decision Makers under the Legislation is that the Requested Relief is granted provided that the Commercial Paper:
  - 6.1 matures not more than one year from the date of issue;
  - 6.2 is not convertible or exchangeable into or accompanied by a right to purchase another security other than Commercial Paper;
  - 6.3 has a rating issued by one of the following rating organizations, or any of their successors, at or above one of the following rating categories or a rating category that replaces a category listed below:

Rating Organization	Rating
Dominion Bond Rating Service Limited	R-1 (low)
Fitch Ratings Ltd.	F2
Moody's Investors Service	P-2
Standard & Poor's	A-2

- 7. For each Jurisdiction, this decision will terminate on the earlier of:
  - 7.1 90 days after the coming into force of any rule, other regulation or blanket order or ruling under the Legislation of the Jurisdiction that amends section 2.35 of NI 45-106 or provides an alternate exemption; and
