HOUSEKEEPING AMENDMENTS TO MFDA REGULATORY INSTRUMENTS TO CONFORM TO REQUIREMENTS UNDER THE CLIENT FOCUSED REFORMS (CFR) AMENDMENTS TO NATIONAL INSTRUMENT 31-103 – *REGISTRATION REQUIREMENTS, EXEMPTIONS AND ONGOING REGISTRANT OBLIGATIONS* (NI 31-103)

Background

On June 21, 2018, the Canadian Securities Administrators (CSA) published, for a 120-day comment period, proposed amendments to National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations* (NI 31-103) to enhance the client-registrant relationship (CFR amendments). The comment period expired on October 19, 2018.

On October 3, 2019, following consideration of comments received, the CSA published the CFR amendments in final form. MFDA staff participated on the CSA Working Group which was responsible for the development of the CFR amendments. (see Bulletin #0795-P).

Requirements under MFDA regulatory instruments must, at a minimum, be consistent with those under securities legislation, and may exceed securities legislation requirements where to do so would be in the public interest.

We are publishing, on the same day, two types of changes to MFDA Rules and Policies. Public Comment Rule proposals (set out in a separate Notice), and Housekeeping changes (set out in this Notice). Housekeeping Rule amendments have been deemed to be approved and will be in effect on a date to be determined by the MFDA, which will align with the implementation dates of the CFR amendments. The Notice which addresses our Public Comment Rule proposals also includes CFR conforming changes to guidance set out under MFDA Staff Notices (MSN).

Attached as Appendix “A” to this Notice are housekeeping amendments to Policy No. 1 (*New Registrant Training and Supervision*) and the following MFDA Rules:

- Training and Supervision – (Rule 1.2.4);
- Misleading Communications – (Rule 1.2.5);
- Conflicts of Interest – (Rule 2.1.4);
- Borrowing From Clients – (Rule 2.1.5);
- Relationship Disclosure – (Rule 2.2.7);
- Referral Arrangements – (Rule 2.4.2);
- Transaction Fees or Charges – (Rule 2.4.4);
- Client Lending and Margin – (Rule 3.2.1);
- Requirement for Records – (Rule 5.1).

Nature of the Amendments

The proposed amendments to Policy No. 1, and the above-noted MFDA Rules are housekeeping in nature, and directly adopt the wording of similar requirements introduced through the CFR amendments to NI 31-103. In adopting the Housekeeping classification for these amendments, the MFDA has relied upon the Joint Rule Review Protocol (JRRP) for the MFDA, Part 3 (Classifying Rule Changes),

subsection 3(b)(vi), which provides, in relevant part, that housekeeping Rule changes include those that are reasonably necessary to conform MFDA Rules to applicable securities legislation, statutory or legal requirements.

Process

The MFDA followed its established internal governance practices in approving the above-noted Housekeeping amendments and considered the need for consequential amendments. The above-noted Housekeeping amendments were reviewed at the February 6, 2020 meeting of the MFDA Policy Advisory Committee, the February 18, 2020 meeting of the Regulatory Issues Committee of the MFDA Board of Directors, and approved by the full MFDA Board of Directors at its February 27, 2020 meeting. The Board has determined that these amendments are in the public interest.

Exemption from Requirements under Securities Legislation

The above-noted Housekeeping amendments involve Rules with which the MFDA, its Members or Approved Persons must comply in order to be exempted from a securities legislation requirement.

Conflict with Applicable Laws or Terms and Conditions of Recognition Order

The above-noted Housekeeping amendments do not conflict with applicable laws or the Terms and Conditions of a Recognizing Regulator's Recognition Order.

Effective Date

The above-noted Housekeeping amendments will become effective in accordance with the phased transition periods established by the CSA for the Client Focused Reforms.

MFDA POLICY NO. 1

NEW REGISTRANT TRAINING AND SUPERVISION

Introduction

This Policy provides guidance on how to comply with MFDA Rule 1.2.4 which requires all Members to develop and document a training and supervision program for their newly-registered salespersons.

Members must ensure that their training programs also include, without limitation, Approved Person training on requirements in the areas of: Know-Your-Client, Know-Your-Product, making a suitability determination, and identifying/addressing conflicts of interest.

With respect to supervision, this Policy sets out standards for new registrants that are in addition to the supervision requirements set out in MFDA Policy No.2 entitled “Minimum Standards for Account Supervision”, that apply to all salespersons.

Training Program

MFDA Rule 1.2.4 requires all newly-registered salespersons to complete a training program within 90 days of being registered with the relevant provincial securities commission.

A Member's training program should cover, at a minimum, the following topics:

General Knowledge: provide an overview of the Member and the industry and cover the salesperson's role, including the range of permitted activities under the salesperson's license.

Product Knowledge: provide a detailed orientation of the product lines offered by the Member.

Advising the Client: review the practical skills required to obtain and interpret know-your-client information to ensure “suitability” obligations have been met and appropriate asset allocation is achieved for clients.

Administration: provide an understanding of internal systems and technology, processes and controls and record keeping.

Sales Process: review client communications, including sales skills and marketing. Review disclosure requirements, transaction documentation requirements, compensation policies and approval processes.

Ethics and Standards of Conduct: provide an understanding of acceptable and non-acceptable business practices, review compliance policies, procedures and regulatory requirements, including sales practice procedures required under securities legislation, including National Instrument 81-105.

For salespersons transferring from one Member to another, it will be incumbent upon the receiving Member to ensure that the training program was completed with the prior Member.

Supervision Policy

MFDA Rule 1.2.4 requires that all newly registered salespersons be subject to concurrent supervision by the Member for a period of 6 months, commencing on the date of initial registration. Such supervision should include at a minimum:

The first 90 day period:

- a) all new accounts must be pre-approved by the Branch Manager prior to any trade being processed in the account;
- b) all trading activity must be reviewed and signed off by the Branch Manager no later than one business day following the trade date; and
- c) all leveraged trades where leveraging was recommended by the Member's salesperson must be reviewed by the Branch Manager prior to trade execution.

The subsequent 90 day period:

- a) all new accounts must be pre-approved by the Branch Manager prior to or shortly after (within 1 business day) any trade being processed in the account;
- b) each month, the Branch Manager must review the greater of:
 - (i) 5 of the client files that were handled by the salesperson in the preceding one month, and
 - (ii) 10% of such client files,provided that if the number of such client files is less than 5, then the Branch Manager must review the actual number of such client files;
- c) on a daily basis, the Branch Manager must review the greater of:
 - (i) 5 of the trades conducted by the salesperson, and
 - (ii) 10% of such trades,provided that if the number of such trades is less than 5, then the Branch Manager must review the actual number of such trades, (high-risk trades, are to be given particular attention); and
- d) all leveraged trades where leveraging was recommended by the Member's salesperson must be reviewed by the Branch Manager prior to trade execution.

In reviewing client files, the Branch Manager should ensure that: the proper documentation is contained in the files, including a New Account Application Form; all information is complete, such as the know-your-client information; and look for any unusual information, such as signed blank forms. If the New Account Application Form does not include know-your-client information, this must be documented on a separate form.

All supervisory activities with regard to newly-registered salespersons should be documented and kept on file at the branch location. Refer to the report attached to this Policy which is to be completed by the relevant supervisor at the end of the training and supervision program. Further, any compliance issues that required action on the part of the Branch Manager or other compliance staff must be documented and kept on file.

It is expected that when a salesperson is unsuccessful in meeting a Member's expectations, the supervision and training period will be extended accordingly until such time as the Member is satisfied that the salesperson no longer needs to be subject to internal supervision. Any extensions should be documented accordingly.
