PART 2 – Substance and Purpose

We are proposing to make two central Proposed Amendments to NI 14-101:

- Canadian financial institution: We are proposing an amendment to NI 14-101, and consequential amendments to other instruments, so that there is a uniform definition of “Canadian financial institution” that applies to all national and multilateral instruments. The proposed consequential amendments repeal existing definitions of the same expression contained in certain national instruments.
- Handbook: We are proposing an amendment to NI 14-101 to introduce a revised definition of “Handbook” to reflect the separate publications of the Chartered Professional Accountants of Canada (CPAC) that relate to accounting and assurance. These publications set out the Canadian accounting and assurance frameworks.

PART 3 – Background

The Proposed Amendments to the definition of Canadian financial institution were initiated as a result of comments we received for the CSA project on proposed National Instrument 93-101 *Derivatives: Business Conduct (NI 93-101)*, which suggested that an update be made to the definition of “Canadian financial institution” used in proposed NI 93-101.

CSA staff studied this matter and concluded that the preferred approach would be to have a common definition in NI 14-101 of “Canadian financial institution” for all CSA instruments and to repeal definitions of that expression elsewhere in the national instruments.

The Proposed Amendments to the definition of “Handbook” were identified by CSA staff when the CPAC, formerly, the Canadian Institute of Chartered Accountants (CICA), separated the Handbook into two publications in 1999. However, the driving force for the change to the definition of “Handbook” occurred when the CICA became the CPAC in 2013, at which time it was determined that these proposed amendments would be published for comment when other amendments to NI 14-101 were published. CSA staff determined that it is appropriate to publish the proposed amendments to the definition of “Handbook” concurrently with the proposed amendments to the definition of “Canadian financial institution.”

PART 4 – Summary of the Proposed Amendments

NI 14-101 (Annex A)

The proposed amendments to the definition of “Canadian financial institution” are as follows:

- The revised definition of “Canadian financial institution” does not include a foreign bank listed in Schedule III to the *Bank Act* (Canada) (**Schedule III Bank**). The current definition of “Canadian financial institution” in NI 14-101 includes a “bank”, but “bank” is not defined. CSA staff determined that the definition of “Canadian financial institution” should be revised to specifically indicate that the only banks included are those listed in Schedule I and II to the *Bank Act* (Canada). Schedule III Banks are not included in the revised definition, as it would be counterintuitive to include a foreign bank as a “Canadian financial institution.”
- The revised definition includes, from the current definition of “Canadian financial institution” in NI 45-106 an association to which the *Cooperative Credit Associations Act* (Canada) applies, but does not include a reference to subsection 473(1) of that Act because that subsection has been repealed.
- The revised definition retains a reference to a credit union and a caisse populaire and adds a reference to a central credit union, financial services cooperative, credit union league or federation that is incorporated or otherwise authorized to carry on business by or under an Act of the legislature of a jurisdiction to ensure that the definition includes all relevant references.
- The revised definition does not refer to “the Confédération des caisses populaires et d’économie Desjardins de Québec”, as this organization is now included in the revised definition because of that definition’s references to a credit union league and a caisse populaire.

As noted above, the revised definition of “Handbook” reflects that the CPAC have separate publications dealing with accounting and assurance.

Consequential Amendments (Annexes B, C and E)

Each of these annexes includes the proposed repeal of definitions of “Canadian financial institution” from the national instruments referenced in the annexes. These definitions are no longer required in those national instruments, as the proposed definition of that expression in NI 14-101 would then apply to these national instruments.

Consequential Amendment (Annex D)

CSA staff determined that, in order to maintain the status quo for the application of the early warning requirements, an amendment was required to NI 62-103 to specifically include Schedule III Banks in the definition of “financial institution” given the exclusion of Schedule III Banks from the proposed definition of “Canadian financial institution” in NI 14-101.

Housekeeping Amendments (Annexes B and C)

We are proposing the following housekeeping amendments in NI 31-103 and NI 45-106:

- References to “financial intermediary” in NI 31-103 and NI 45-106 are removed since that expression is narrower than “Canadian financial institution” and thus not necessary.
- The definition of “bank” in NI 45-106 is not necessary in light of the proposed exclusion of Schedule III Banks from the definition of “Canadian financial institution” in NI 14-101.
