1. Activities with your sponsoring firm

Instructions: Describe all of your roles and responsibilities with your sponsoring firm, whether these roles and responsibilities are securities-related or not (e.g., sale of securities, review of marketing materials, IT help desk, negotiation of employment contracts, sales of banking and insurance products and services). Include any other information about your position with your sponsoring firm that is relevant for the regulator or, in Québec, the securities regulatory authority to know (e.g., if your role is specialized). For example, if you are applying as an advising representative limited to client relationship management, indicate this by including the following statement in Schedule G: "Individual is seeking registration as CRM AR."

Complete a Schedule G with respect to your roles and responsibilities with your sponsoring firm.

2. Reportable outside activities

Instructions: Consider all of the activities that you participate in outside of your sponsoring firm, whether or not you receive compensation for such activities and whether or not any such activity is business-related. Activities performed for an affiliated

entity are considered activities outside of your sponsoring firm. If any of the categories below describes one or more activities that you participate in, complete a separate Schedule G for each activity or entity. If multiple activities are performed for one entity, complete a single Schedule G identifying all the activities performed.

Uncompensated activities that do not fall within Categories 1 to 5 (i.e., generally activities that do not involve securities or financial services and are not a position of influence, such as being a little league soccer coach) are not reportable.

Category 1 – Activities with another registered firm

Major shareholder means a shareholder who, in total, directly or indirectly owns voting securities carrying 10 percent or more of the votes carried by all outstanding voting securities.

If you are a director, officer, employee, contractor, consultant or agent of a specified entity, or are in any other equivalent position with or for a specified entity, or are a shareholder or partner of a specified entity, complete a separate Schedule G for the specified entity.

For the purposes of this category, "specified entity" means an entity that receives compensation from a registered firm for activities that you provide for your sponsoring firm or another registered firm.

Category 3 - Other securities-related activities

Instructions: All activities in this category are reportable, whether or not you receive compensation for such activities. Charitable or other fundraising activities that do not involve the issuance of securities or derivatives are not reportable.

If you have been at any time in the last 7 years directly involved in raising money for an entity through the issuance of securities or derivatives or promoting the sale of an entity's securities or derivatives outside of your activities with your sponsoring firm or another registered firm, complete a separate Schedule G for each entity for which you performed these activities.

Directors and officers of reporting issuers and of entities that have been at any time in the last 7 years raising money through the issuance of securities or derivatives are considered to be directly involved in raising money for that entity.

Instructions: All activities in this category are reportable, whether or not you receive compensation for such activities. For example, volunteer activities pertaining to your securities or financial services knowledge must be reported under this category. Category 5 - Positions of influence

The firm is required to deliver a copy of the executed subordination agreement to the regulator or, in Québec, the securities regulatory authority on the earlier of a) 10 days after the date the agreement is executed or b) the date an amount subordinated by the agreement is excluded from its calculation of excess working capital on Form 31-103F1 Calculation of Excess Working Capital. The firm must notify the regulator or, in Québec, the securities regulatory authority, 10 days before it repays the loan (in whole or in part), or terminates the subordination agreement.
