

## Transition to the New Report

This Annex provides further guidance on the report that should be filed as of June 30, 2016, when the Amendments come into force.

### Issuers other than investment funds filing annually

All issuers, other than investment fund issuers filing reports annually, must use the New Report for distributions that occur on or after June 30, 2016, when the Amendments come into force. If an issuer completes a distribution before June 30, 2016, and the deadline to file the report occurs after June 30, 2016, the issuer must file the Current Report. If an issuer completes multiple distributions on dates that occur within a 10-day period beginning before and ending after June 30, 2016, the issuer may file either the Current Report or the New Report to report such distributions.

Please see the examples in Table 1 below for further clarity on the report that should be filed.

<sup>1</sup> The report must be filed no later than 10 days after the first distribution in the report.

<sup>2</sup> If the filing deadline falls on a Saturday, Sunday or another day when the CSA member with which the report being filed is closed, the deadline is the next day on which the CSA member is open.

### Investment fund issuers that file annually

Investment funds relying on certain prospectus exemptions may file reports of exempt distribution annually, within 30 days after the end of the calendar year. We have provided a transition period to allow investment fund issuers that file annually to file either the Current Report or the New Report for distributions that occur before January 1, 2017. For distributions that occur on or after January 1, 2017, all investment fund issuers filing annually must file the New Report.

Please see the examples in Table 2 for further clarity on the report that should be filed.
