[The British Columbia Securities Commission (BCSC) is not publishing the consequential amendments to this instrument and companion policy separately because we have not previously adopted them. Instead, the BCSC is publishing, with the BC notice published at the same time as this notice, a consolidated version of National Instrument 52-110 *Audit Committees* and Companion Policy 52-110CP to National Instrument 52-110 *Audit Committees*, Form 52-110F1 *Audit Committee Information Required in an AIF* and Form 52-110F2 *Disclosure by Venture Issuers*. The BCSC plans to adopt the consolidated version of these documents that includes the consequential amendments being adopted in other jurisdictions.]
