BC NOTICE 72-701 (Previously NIN#91/22)

Guide for Use of the Multijurisdictional Disclosure System by Canadian Issuers in the U.S. Market
(Previously NIN#91/22)

This Notice contains the content of former NIN#91/22 corrected for cross-references and updated to reflect changes in state securities law. We have removed Appendix A, which referred to contacts at state securities regulators, and replaced it with a reference to the directory of state securities regulators at nasaa.org.

The Guide, which is entitled "Use of the Multijurisdictional Disclosure System by Canadian Issuers in the U.S. Market", provides an overall summary of the use of the U.S. multijurisdictional disclosure system by Canadian issuers and discusses the requirements of state securities laws.
