

CSA Staff Notice 94-302
*Delivery of Forms Required under National Instrument 94-102
Derivatives: Customer Clearing and Protection of Customer
Collateral and Positions*

August 3, 2017

Introduction

This Canadian Securities Administrators Staff Notice provides guidance regarding the forms required to be delivered by clearing intermediaries and regulated clearing agencies under National Instrument 94-102 *Derivatives: Customer Clearing and Protection of Customer Collateral and Positions* ([NI 94-102](#)).

Background

NI 94-102 came into force on July 3, 2017. Section 25 and section 43 of NI 94-102 require a clearing intermediary and a regulated clearing agency, respectively, to deliver the applicable form regarding customer collateral to the regulator or securities regulatory authority of each jurisdiction of Canada in which they have a local customer.

Substance and Purpose

NI 94-102 requires that only the information pertaining to the customers in the local jurisdiction be reported to the regulator or securities regulatory authority. The purpose of this Staff Notice is to provide further guidance with respect to the delivery of the required forms.

Format and Delivery Instructions

In Ontario, the forms are required to be filed electronically through the Ontario Securities Commission's Electronic Filing Portal. Please see http://www.osc.gov.on.ca/en/derivatives_participants_forms.htm for more information.

In all other jurisdictions, filers can use the Excel forms (including the French versions in Québec and New-Brunswick) provided in the hyperlinks in the list below¹ to comply with section 25 or 43, as applicable, of NI 94-102:

- [Form 94-102F1](#) *Customer Collateral Report: Direct Intermediary*
- [Form 94-102F2](#) *Customer Collateral Report: Indirect Intermediary*

¹ These fillable spreadsheet forms are available at:
