Details of distribution

Item 5: Distribution date

State the distribution date. If this report is being filed for securities distributed on more than one distribution date, state all distribution dates.

August 21, 2015

Item 6: Number and type of securities

For each security distributed:

- describe the type of security;

Common shares of the Issuer

Convertible Debentures of the Issuer

- state the total number of securities distributed. If the security is convertible or exchangeable, describe the type of underlying security, the terms of exercise or conversion and any expiry date; and

Total: 841,873 Common shares (the "Shares") were distributed. Certain shareholders of the Issuer previously subscribed for common shares of the Issuer pursuant to a subscription agreement which contained certain anti-dilution protection provisions (the "AD Provisions"). The AD Provisions were subsequently triggered and certain shareholders became entitled to the issuance of additional shares. The Shares were registered in accordance with the corresponding subscription agreement containing the relevant AD Provision.

Total: Convertible Debentures in the principal amount of \$1,450,000 were distributed.

Interest: 6% per annum payable on the earlier of conversion or maturity.

Maturity: November 30, 2016

The Debentures are convertible at the option of the holder at any time prior to maturity in whole or in part into fully-paid common shares of the Issuer at a conversion price of \$0.24618 of principal amount of Debentures per share.

- if the issuer is an investment fund managed by an investment fund manager registered in a jurisdiction of Canada, state the exemption(s) relied on. If more than one exemption is relied on, state the amount raised using each exemption.
